back to the sources on international affairs

PremiumServices

AsapSpot founding vision is to go back to the sources on international affairs.

We work through a worldwide network of international affairs experts and master thorough understanding of international affairs and diplomatic issues.

Our exclusive services give you direct access to the most pertinent primary and analysis sources.

We use the latest internet technology to provide international affairs professionals with a top quality service.

The combination of top technology and top experts allowed the professionals to gain considerable amount of time in monitoring and sorting data.

AsapSpot design specific *Premium resources websites* on a country, area or issue.

AsapSpot Premium Service monitors documents from a wide range of institutions, including International Organizations, NGOs, Corporate, research centers, governments...

Our special features (digests, backgrounders, alerts...) keep you in touch with you major interests.

Premium Service is your exclusive gate to the understanding of current international affairs.

Whatever you are looking for, we can propose you a solution.

What ?

Our **Premium Services** are exclusive Asapspot services dedicated to your own private demands : countries, issues.

It aims at providing real-time access to the most up-to-date, accurate sources available on the Internet.

Why ?

Our **Premium Services** target analysts, researchers, students, journalists and executives who are looking for reliable sources to help form or bolster their opinions, or devise strategies.

Sources

Our **Premium Services** index sources on ongoing affairs and on forthcoming events. We also provide historical background to complex present-day questions.

We make use of all available sources, in so far as they serve the understanding of issues of interest:

official authorities, political parties, militant movements, IO's, NGO's, the media, academic research and so on.

Editorial policy

For us, an accurate analysis means taking into account

the bigger picture, for which it is necessary to draw

on more wide-reaching sources.

Our **Premium Services** present a broad spectrum of

news and analysis and takes care to provide a balanced view.

Experts network

Our Premium Services work through a worldwide network of international affairs experts.

Our experts are highly qualified observers of your targets and, more broadly, of the international affairs. Every business day, we retrieve, read, select and index the best sources on key current events. The selected material is then checked by the senior Editor in Chief before publishing.

Sources

Premium Services gives access to news, analysis and fact and data sources. We monitor several hundred sources on a daily basis, from the most recognized news media, periodicals, research centers, think tanks, Governmental agencies, IOs and NGOs.
